Kendall has just discovered who Emily really is, lost her boyfriend, and nearly died doing the thing she loves most--ghost hunting. It's time to take a break and try to reconcile all the changes she's going through. So Kendall heads to the Sierra Mountains, where there's a camp especially for young people with gifts such as hers. It's a time for reflection and self-discovery.

But when she gets to California, she once again finds restless spirits--and the boy in her last vision. It may be the end of one chapter of her life and the beginning of a new one.
