## **Of Love** Sean Michael

Free-spirited computer programmer Kent McMann loves life, candy, his family, and his job designing apps. With his go-getter attitude, he succeeds at anything he tackles. So having a child with a surrogate mother is the perfect start to the family he's always wanted, even though he still hasn't found his longed-for Mr. Right.

Then, into Kent's life comes triathlete Dex Lochland, who also happens to be a successful app designer, and the two of them hit it off. They soon begin a relationship full of fun, sex, laughter, and love. But when Kent learns his attempt at fatherhood with the surrogate has succeeded, Dex is shocked. Unknown to Kent until that moment, Dex has never wanted children.

Kent's decision before he met Dex might cost him the man of his dreams.
