## **A Practitioner's Guide to the FSA Regulation of Insurance** John Young, etc.

The transfer of insurance regulation to the Financial Services Authority and the implementation of the FSA Handbook have introduced a regulatory regime for insurance companies that is very different from the one that they are used to. Several well-publicised disasters have ensured that the insurance industry is very much in the spotlight and is consequently being monitored more closely by the FSA than it ever has by any previous regulator. This book examines the new FSA regime and provides practical and comprehensive advice for those working within the industry. It also looks to the future and considers some of the implications for the industry of recently announced plans for additional significant and far-reaching changes to the industry's regulation
