**Think Yourself Successful: Rewire Your Mind, Become Confident, and Achieve Your Goals** Alireza Azmandian

**A popular self-help speaker from Iran brings his message to the U.S., explaining how to use “the technology of thought” to change thinking patterns for greater confidence, fulfillment, and success.**

## About the Book

In *Think Yourself Successful*, the first English adaptation of Alireza Azmandian's bestselling book, readers are introduced to the phenomenon of the “technology of thought,” an intriguing blend of Islamic and Western ideas that teaches how to harness the power of positive thinking to improve their lives and become more successful.

Azmandian describes his remarkable story of coming to America from Iran and how he applied the principles of the technology of thought to his own life, realized his dreams, and achieved a Ph.D. in Industrial and Systems Engineering. He explains what technology of thought is and demonstrates how readers can program their unconscious minds with new beliefs and attitudes to give them a sense of peace and serenity. Finally, readers will learn how to build upon this sense of peace and serenity to become more confident, set and achieve goals, face and solve problems, and eventually live a life of emotional, spiritual, and financial abundance.
