## **Umbrella Academy Volume 1: Apocalypse Suite Gerard Way**

In an inexplicable worldwide event, forty-seven extraordinary children were spontaneously born to women who'd previously shown no signs of pregnancy. Millionaire inventor Reginald Hargreeves adopted seven of the children; when asked why, his only explanation was, "To save the world." These seven children form the Umbrella Academy, a dysfunctional family of superheroes with bizarre powers. Their first adventure at the age of ten pits them against an erratic and deadly Eiffel Tower, piloted by the fearsome zombie-robot Gustave Eiffel. Nearly a decade later, the team disbands, but when Hargreeves unexpectedly dies, these disgruntled siblings reunite just in time to save the world once again. • This volume collects the first six-issue series, as well as out-of-print short stories and an expanded sketchbook section featuring work by Gabriel Bá, James Jean, and Gerard Way. • "Flawless...stylish, imaginative."-Newsarama • Listed as one of the Top Ten Great Graphic Novels for Teens by the Young Adult Library Service Association (YALSA). • Amazon.com's #1 Graphic Novel of 2008! • A New York Times bestseller!
