Antonio Ferragut

Bolas . . . pero de Esponja (Spanish Edition) Antonio Ferragut

El único libro publicado sobre magia química y magia con líquidos. Magia fácil. Un libro práctico, ilustrativo y ameno donde encontrarás, químicamente hablando, magia de cerca, de pista y de escenario, más de sesenta títulos de fácil ejecución y recio efecto. Sesenta y tantos, nada menos que sesenta y tantos, para que el diablo no se ría de la mentira. "Pócimas" no sólo teóricas, sino practicables para asombrar al público. Se ha preocupado de todo, incluso de facilitar direcciones de droguerías donde poder adquirir los productos químicos. Además, el libro en sí mismo es un fake para realizar un exclusivo juego de mentalismo, una predicción incomprendible que dará mucho que hablar. Ese truco-con este libro/objeto-ya vale por sí solo el precio de esta publicación.
