The Drums of War

Betrayal by a rogue agent has rocked the Vampire Bund hard, especially Akira. Even worse, the agent has stolen the most damaging secret that Princess Mina tried hardest to conceal-that Mina has the ability to transform into a full-grown woman capable of bearing children.

With this news leaked to the lords of the three great vampire clans, the brazen Lord Ivanovic launches an all-out assault on the Bund in order to claim Mina for himself. Princess Mina has no choice but to counterattack, as her once idyllic haven for vampires turns into a war zone with massive casualties on both sides.
