A proven method for working with teachers to design better evaluations

There is no magic formula for successfully designing a teacher evaluation system. However there is abundant evidence that suggests involving teachers in the process will reduce the likelihood of opposition, gridlock, and reform failure. *Everyone at the Table* provides materials to genuinely engage teachers in the evaluation process. The book is a research-based and field-tested practical guide for school leaders. With this resource, educators will have the tools they need to develop meaningful teacher evaluations.

- Offers a collaborative approach to designing teacher evaluations
- Includes a companion web-based resource, with video

This research-based program outlines a solid plan for improving teacher effectiveness through evaluation reform.
