Newark (Then and Now) William Francis

New Ark, as it is pronounced and appeared on colonial maps, is located in New Castle County near the borders of Pennsylvania and Maryland. Scotch-Irish and Welsh settlers developed Newark as a market town around the intersection of two Lenni Lenape trails. Newark remained little more than a village throughout its history, reaching a population of only 11,000 by 1960. Today it is over 30,000, with an additional 15,000 students at the University of Delaware.
