(A Suncoast Society series book.)

[Siren Sensations: Erotic Consensual BDSM Romantic Suspense, spanking, paddling, cropping, sex toys, HEA]

Laura Spaulding awakes in a hospital following a vicious attack that has stolen her memories of the past. All she has to go on are the strong emotions she instinctively feels for close friends and her fiance, Rob.

Rob Carlton is more than just Laura's fiance--he's also her Master. But how can he tell her she's his slave when he has to win her love all over again first? And he feels helpless to protect her from a nameless stalker who's killed before and won't stop until he finishes the job with Laura.

As bits and pieces slowly return, Laura struggles to rediscover who she was, and if she even wants to be that same person again. All she knows is there's something huge missing in her life now, and not just memories of the attack. She also knows it'll take more than just pinching herself to wake up from her living nightmare and bring a killer to justice.
