## **The Missing Matisse: A Memoir** Pierre Henri Matisse

Born into a famous family of artists, Pierre Matisse grew up immersed in the artistic life of Paris and the French Riviera, spending time with some of the most famous artists of the 20th century, including Pablo Picasso and Salvador Dali. The man he knew as his grandfather, legendary artist Henri Matisse, gave him his first painting lesson and a strong desire to become a great artist in his own right.

Being a Matisse was an important part of young Pierre's identity. So he was crushed and bewildered when, at the outbreak of WWII, his mother suddenly announced to her 12-year-old son, "You are no longer a Matisse." With no explanation, she changed her son's name and sent him away.

So began Pierre's lifelong search to solve the mystery of his true identity. What had happened? Why had his family seemingly rejected him? Who was his real father? Those questions are the intriguing backdrop to this memoir of Pierre's fascinating and adventurous life on three continents. Spanning the insider art world of 1930s Paris, the battles of WWII, the occupation of France by the Nazis, Pierre's involvement with the French resistance, his post-war work restoring art and historical monuments, and his eventual decision to create a new life in North America, *The Missing Matisse* is a story of intrigue, faith, and drama as one man journeys to discover the truth about who he is—before it's too late.

It can be your alternative with spending your spare time, the actual book you have read is definitely The Missing Matisse: A Memoir.

#### **Roger Thomas:**

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Missing Matisse: A Memoir can make you truly feel more interested to read.
