## Egil Skallagrimssons saga (Swedish Edition)

Egil Skallagrimsson (ca 900-992) var en isländsk skald, krigare och hövding. Egil kallas ofta Islands och hela Nordens störste skald. Av Egils dikter finns cirka 110 strofer och strofdelar bevarade. Om Egils liv, såd och diktning handlar Egil Skallagrimssons saga, vilken är en av de mest framstående och längsta isländska släktsagorna. Den kan vara skriven av Snorre Sturlasson, som var släkt med Egil. Den är baserad på de rika isländska berättelserna om landets store skald och hjälte, samt innehåller även många av Egils kväden. Vi får följa med Egil på hans äventyr där han redan som ung flyttade med släkten från Norge till Island efter att det skurit sig med den norske kungen, och hur han redan som ung gick ut i viking. Genom livets utmaningar, förströrelser och faror fortsätter sagan.
