Laurie Notaro

**It Looked Different on the Model: Epic Tales of Impending Shame and Infamy** Laurie Notaro

**#1 NEW YORK TIMES BESTSELLER**

**Everyone's favorite Idiot Girl, Laurie Notaro, is just trying to find the right fit**, whether it's in the adorable blouse that looks charming on the mannequin but leaves her in a literal bind or in her neighborhood after she's shamefully exposed at a holiday party by delivering a low-quality rendition of "Jingle Bells." Notaro makes misstep after riotous misstep as she shares tales of marriage and family, including stories about the dog-bark translator that deciphers Notaro's and her husband's own "woofs" a little too accurately, the emails from her mother with "FWD" in the subject line ("which in email code means Forecasting World Destruction"), and the dead-of-night shopping sprees and Devil Dog-devouring monkeyshines of a creature known as "Ambien Laurie." At every turn, Notaro's pluck and irresistible candor set the *New York Times* bestselling author on a journey that's laugh-out-loud funny and utterly unforgettable.

*From the Trade Paperback edition.*
