Senales de Los Apostoles: Observaciones Sobre El Pentecostalismo Antiguo y Nuevo / Signs of the Apostles (Spanish Edition) Walter Chantry

¿Cómo debe valorar el creyente las afirmaciones actuales acerca de los dones espirituales? En este libro Walter Chantry describe la propagación mundial del movimiento carismático, y considera su importancia. Dios sigue obrando hoy en el mundo, pero el autor no cree que los poderes milagrosos estén ya en manos de hombres y mujeres individuales.

Siguiendo el curso de los milagros en el Antiguo y Nuevo Testamento, llega a la conclusión de que su función fue principalmente la de confirmar la misión de los portavoces de Dios. Por ello, afirma, todos los casos registrados de recepción de poderes milagrosos en el Nuevo Testamento, sucedió por el ministerio de un Apóstol. Walter Chantry cree que ahora que el canon de las Escrituras está completo, la prosecución de todos los dones espirituales de la edad apostólica sólo puede hacerse en base a la falta de reconocimiento de la suficiencia y finalidad de la Biblia.
