Tor

Jude Pearson could just as well kill me as kiss me most days. He was my captor, my living hell, and yet, he became my saviour, my heart. Stupid. He's heartless, conditioned to feel nothing, and so I ran... straight into the clutches of his enemy. Joe Campbell wants Jude to suffer, and I just became a pawn in a very dangerous game.

Joe has broken me in every way, everything that I once was stripped away, and in its place is festering hatred and a rage so cold I feel nothing else. I have one purpose. Revenge.

Jude

Love makes you weak; it makes you irrational. She was collateral, completely innocent when she was unwillingly dragged into my corrupt world. With the damage I'd already caused her, I couldn't let her love me, so I let her go, and now...he has her.

No matter where she is, she will always be mine. This man has taken every-fucking-thing from me, and he has the last thing that matters to me. I will kill him. Slowly. Joe Campbell better run because the devil is fucking coming for him.

Sometimes two wrongs can make a right.

Rage.

Hate.

Revenge.

Our Wrath binds us, but it may also break us.
