**Wrecked (A Barnes Brothers novel)** Shiloh Walker

"Friends make the best lovers and soul mates in **WRECKED**. A beautiful look into true and enduring love..." Carly Phillips, NYT Bestselling Author

In the nineties, Abigale Applegate and Zach Barnes were the most beloved sitcom child stars in the world. Then they grew up and left Hollywood behind...

*Whatever happened to Abigale Applegate?*

*She's been wondering the same thing.*

With her Hollywood dreams long gone, Abigale now has a nice, neat, uncomplicated life--until the day her perfect fiancé *needs to talk*. Dumped, a little more than shattered, and totally confused, Abigale turns to Zach, her best friend since forever, to help her pick up the pieces. He does it with a gift--a copy of *Wreck This Journal*. She can vent her frustrations, and sketch out a new plan. Zach just hopes he's part of it. Because he's been in love with Abigale his entire life.

When the journal falls into Zach's hands, he discovers Abigale wants a new man. And fast. Nothing more than a hot distraction. Zach has a strategy, too. He's going to be that man. It's his last chance. Abigale might be out to shake up her life, but Zach's out to reinvent it. Now, all he has to do is convince Abigale that life can go as planned.
