An ordained Interfaith Chaplain, Nancy shares her powerful and touching journey from an intuitive longing to communicate with the non-human world to full realization of its rich chorus of voices. From her family of animals, to the world of birds, coyotes, dolphins, llamas, and animal spirit guides, to the oceans and the earth herself, Nancy shares the profound guidance and wisdom of our countless non-human companions, and what it means to love an animal, not as a pet, but as friend, family member and spirit guide. It came as no surprise to me that I have grown closer to my own aging friend Buggy, our eight-year-old rescue dog, who teaches me how to live cheerfully with arthritis, blindness, and too many stairs.” John C. Robinson, Ph.D., D.Min. Author of *Three Secrets of Aging*, *Bedtime Stories for Elders*, *What Aging Men Want* “I am touched by Nancy's ability to paint beautiful pictures with words, of the world around her, and of her spiritual experience. Nancy depicts the connection that humans can have with animals on the physical plane and in the spirit realm. You will be blessed in the reading of the special relationship and deep connection between a cat his human.” Rev. Jim Larkin, Co-Director of Tree of Life Teachings and Faculty of the Chaplaincy Institute “Nancy’s courageous and heartfelt journey unveils masterful gifts of wisdom that animals and the universe hold and lovingly encourage us to discover.
