Hedge-Rider: Witches and the Underworld Eric De Vries

Hedgerider: Witches and the Underworld is a re-interpretation of (Hedge-)Witchery. Drawing from an extensive historical, folkloric and mythological body it re-atributes and re-defines Witchery as a Heathen Cult centred around the journey to the Underworld and contact with the Unseen. With the insights into Cosmology, Philosophy and Practice this book provides a working body of Heathen Witch-lore, designed to transform the essence of humanity in something greater through contact with our Fetch and the Underworld itself.
