## **Simidion - La metà oscura (Italian Edition)** Simona Pafundo

In un mondo soffocante, se vuoi capire chi sei hai solo una possibilità: scegliere la metà che splende al sole, oppure quella rilegata nell'oscurità. C'è un'unica certezza: la ribellione è alle porte.

Elea sa di dover raccontare il suo passato a chi si trova di fronte a lei, ma il fatto che si tratti di un cantante discretamente famoso la fa indugiare. E' solo quello il motivo? O, forse, è il dover parlare a Rafael di eventi che possono apparire completamente fuori dalla realtà? In un Mondo governato dal materialismo e profondamente inquinato, Elea sa di essere una Simidion. Un essere a metà fra due Mondi, perseguitato dal Regime, che detiene il potere in una società strettamente controllata. Protetta da Rafael e dalla Comunità di Simidion, Elea imparerà a conoscersi e inizierà a recuperare la memoria di un lontano passato: chi è Vedder? Perché le sue notti sono popolate da incubi, in cui occhi sconosciuti la fissano in un nero che la inghiotte? Non tutto è come appare e le ragioni del presente si perdono in un passato di cui Elea dovrà tornare in possesso, prima di capire ciò che si muove attorno a lei e il suo ruolo nei Due Mondi.
