When his master is killed in a battle with Jabiimi rebels, Anakin Skywalker finds himself assigned to a squad of similarly "orphaned" Padawans. The non-stop rain and violent storms on Jabiim suit Anakin's mood of despair punctuated with rage. Some of the other Padawans feel the same way. Whether they're aware of it or not, they all have chips on their shoulders and are looking for either revenge or a way to follow their dead masters in death.
