## **While Angels Watch** Marni McGee

"Long ago, when the world was new, the angels had all the work to do," begins this quietly hopeful book. "But where did all those Angels go? Where are they now? Does no one know?" In this tender book, the animals tell how the Angels share our lives today. Told in gentle rhymes and illustrated with lovely detail, this book brings comfort to everyone -- that Angels are watching over each of us. A treasure.
