Cuban Revelations: Behind the Scenes in Havana (Contemporary Cuba) Marc Frank

In *Cuban Revelations*, Marc Frank offers a first-hand account of daily life in Cuba at the turn of the twenty-first century, the start of a new and dramatic epoch for islanders and the Cuban diaspora. A U.S.-born journalist who has called Havana home for almost a quarter century, Frank observed in person the best days of the revolution, the fall of the Soviet Bloc, the great depression of the 1990s, the stepping aside of Fidel Castro, and the reforms now being devised by his brother.

Examining the effects of U.S. policy toward Cuba, Frank analyzes why Cuba has entered an extraordinary, irreversible period of change and considers what the island's future holds. The enormous social engineering project taking place today under Raúl's leadership is fraught with many dangers, and *Cuban Revelations* follows the new leader's efforts to overcome bureaucratic resistance and the fears of a populace that stand in his way.

In addition, Frank offers a colorful chronicle of his travels across the island's many and varied provinces, sharing candid interviews with people from all walks of life. He takes the reader outside the capital to reveal how ordinary Cubans live and what they are thinking and feeling as fifty-year-old social and economic taboos are broken. He shares his honest and unbiased observations on extraordinary positive developments in social matters, like healthcare and education, as well as on the inefficiencies in the Cuban economy.
