Wherever we live in this world?whether our country is rich or poor?water is vital to our survival on this planet. This book follows the daily lives of children in Peru,Mauritania, the United States, Bangladesh, Ethiopia, and Tajikistan, and explores what water means to them.Where does it come from? How do they use it?

With the growing threat of climate change affecting all our lives, this book invites discussion on the ways different countries and cultures value this most precious of our planet's natural resources.
