**The Hell, the Humour and the Heartbreak: A Private's View of World War I** Bert Bishop

Many accounts of World War 1 have appeared, written mainly by official historians or officers. This is an account by a young private of his part in 'the war to end all wars'. There are graphic descriptions of trench warfare at the front, but also many humorous incidents behind the lines. Overall is the realization of the tragic waste of human life. This book is compelling reading as a Digger looks back on his most momentous years.
