## **The Revolt of the Cockroach People** Oscar Zeta Acosta

The further adventures of "Dr. Gonzo" as he defends the "cucarachas" -- the Chicanos of East Los Angeles.

Before his mysterious disappearance and probable death in 1971, Oscar Zeta Acosta was famous as a Robin Hood Chicano lawyer and notorious as the real-life model for Hunter S. Thompson's "Dr. Gonzo" a fat, pugnacious attorney with a gargantuan appetite for food, drugs, and life on the edge.

In this exhilarating sequel to *The Autobiography of a Brown Buffalo*, Acosta takes us behind the front lines of the militant Chicano movement of the late sixties and early seventies, a movement he served both in the courtroom and on the barricades. Here are the brazen games of "chicken" Acosta played against the Anglo legal establishment; battles fought with bombs as well as writs; and a reluctant hero who faces danger not only from the police but from the vatos locos he champions. What emerges is at once an important political document of a genuine popular uprising and a revealing, hilarious, and moving personal saga.
