Farmer Jane

Temra Costa

Farmer Jane Temra Costa

Farmer Jane profiles thirty women in the sustainable food industry, describing their agriculture and business models and illustrating the amazing changes they are making in how we connect with food. These advocates for creating a more holistic and nurturing food and agriculture system also answer questions on starting a community-supported agriculture (CSA) program, how to get involved in policy at local and national levels, and how to address the different types of renewable energy and finance them.
