J. Timothy Ahlen, Lyle E. Schaller

One Church, Many Congregations: The Key Church Strategy (Ministry for the Third Millennium Series) J. Timothy Ahlen, Lyle E. Schaller

The Key Church strategy recognizes cultural diversity in North America and presents the Christian message in a way that respects and communicates the indigenous concerns of different cultural groups. At the heart of the “key church strategy” is the belief that a church can be comprised of many congregations, meeting separately yet ministering together, in a variety of different settings?a strategy that has been adopted by 300 churches in 27 states. In the Foreword, Lyle E. Schaller calls it “one of the most innovative, practical, and effective approaches to outreach ministries I have encountered in nearly four decades of working with congregations.”
