Perceptions From the Photon Frequency: the ascended version KA Chinery

Alcyone Vobis, a self-perceived displaced soul, has spent most of her life trying to understand the two biggest questions since the beginning of time: **“Who is God and why are we here?”**

Plagued with frustration and confusion, Alcyone is determined to find meaning and resolution in a toxic society of greed, selfishness and deception. Through years of self-loathing, recklessness and suicidal thoughts, Alcyone disconnects from a paradigm of conditioned beliefs and misinterpreted struggles in search of an understanding that would release her from her self-imposed prison of suffering.

Propelled by a profound dialog between her ego and her Soul, Alcyone is lead far beyond the plateau of mortal reason and ascends into a frequency of perception that frees her from the confines of a limited, three dimensional reality.

Free from conditioned thoughts and learned behavior, she discovers her higher Self, transcending life's struggles and confusions into infinite wisdom. Alcyone ascends to a level of awareness that allows her to recognize and decipher the clues of reality, connecting all of life's mysteries and diverse sacred texts to one single Source. **Is this the key to enlightenment that she has been searching for all of her life?**

This book spotlights common life experiences, interpreted with Divine perception, to illuminate the profound reason for life and its misperceived struggles. This unique novel of unconventional wisdom is written for those who are questioning the current paradigm and those who feel lost in trying to understand the purpose of their existence.

This deeply personal journey into the human psyche takes a unique approach to spiritual enlightenment that directly confronts the confusion and despair that many people experience in their lives. The unconventional approach allows the importance of the lessons learned to shine through, while dispelling conventional and outdated viewpoints. This inspiring novel possesses the compelling content needed to completely engage readers while directing them toward their own higher consciousness.

A thought-provoking read that arouses a heightened mindset of latent thoughts and Divine curiosity, there are hidden messages with a powerful lingering affect, that teaches readers to see and decipher the metaphorical clues in their reality.

This provocative novel entertains readers while opening up a philosophical new gateway between their egos and Souls, offering a transcendent new philosophy of elevated consciousness.

Through this compelling story, Chinery connects all of life's beauty, struggles and awe to One single Source, bringing together the diversity of the world through Divine wisdom and human emotions, illuminating the undeniable fact that we truly are **One**.
