How do you keep up in the age of information when there's so much to know and so little time? Here's the ideal solution: a practical book of knowledge offering in-depth analysis, detailed interpretation, and penetrating insight into the key concepts, the most influential minds, and the major intellectual movements in history. A World of Ideas is an essential tool for anyone who wants to be fully informed and stay ahead of the curve in today's world.

Now you can get to the bottom of the big bang theory; find out where Freud's ideas were coming from, and where Einstein's may ultimately take us; demystify surrealism and survivalism, nature and nurture, communism and capitalism. With hundreds of in-depth entries, drawn from a wide range of fields--including religion, philosophy, psychology, economics, politics, history, art, literature, and science--A World of Ideas enables you to turn immediately to the term in question for a comprehensive description of its history, meaning, and context.

- Hundreds of entries, alphabetically arranged, with key words and concepts highlighted and cross-referenced
- Reviewed and approved by an academic board of leading scholars
- A unique emphasis on multicultural influences and the long-neglected impact of women on the history of ideas
- An extensive bibliography of further readings and resources

Here are the concepts that shaped civilization . . . the minds that made history . . . the thinkers, the thoughts, and the theories--everything you need to know to fully understand the world we live in. Concise and authoritative, meticulously researched and lucidly written, this invaluable resource is sure to become a standard reference for years to come.
