Designing with Type: A Basic Course in Typography (Fourth James Craig
The classic *Designing with Type* has been completely redesigned, with an updated format and full color throughout. New information and new images make this perennial best-seller an even more valuable tool for anyone interested in learning about typography. The fifth edition has been integrated with a convenient website, www.designingwithtype.com, where students and teachers can examine hundreds of design solutions and explore a world of typographic information. First published more than thirty-five years ago, *Designing with Type* has sold more than 250,000 copies—and this fully updated edition, with its new online resource, will educate and inspire a new generation of designers.
