The Water's Edge (Inspector Sejer Mysteries Book 8) Karin Fossum

Reinhardt and Kristine Ris, a married couple, are out for a Sunday walk when they discover the body of a boy and see the figure of a man limping away. They alert the police, but not before Reinhardt, to Kristine's horror, kneels down and takes photographs of the dead child with his cell phone. Inspectors Konrad Sejer and Jakob Skarre begin to make inquiries in the little town of Huseby. But then another boy disappears, and an explanation seems more remote than ever. Meanwhile, the Rises' marriage unravels as Reinhardt becomes obsessed with the tragic events and his own part in them.

The Water's Edge is a riveting portrayal of a community in turmoil from Karin Fossum, Norway's "Queen of Crime."

This e-book includes a sample chapter of THE MURDER OF HARRIET KROHN.
