**You Are a Complete Disappointment: A Triumphant Memoir of Failed Expectations** Mike Edison  
“*You are a complete disappointment.*” On his deathbed, Mike Edison’s father gasped those words to his son—and that was just the beginning of his devastating salvo. For anyone who has ever suffered from parental bullying, this often-hilarious yet intensely heartbreaking memoir from the former *High Times* publisher will provide both solace and laughter. It begins with a child’s hunger for love and acceptance and continues through years of withering criticism, perverse expectations, and unfounded competition from a narcissistic father who couldn’t tolerate his son’s happiness and libertine spirit. In the end, the author unravels a relationship that could never be fixed—but perhaps didn’t need to be. In the spirit of Augusten Burroughs by way of Jeannette Walls, Edison’s memoir is a candid, devastating, and deeply funny read.
