## 21 Dirty Tricks at Work: How to Beat the Game of Office Politics

Mike Phipps, Colin Gautrey

21 Dirty Tricks at Work is about lies. The type of underhand, pernicious and downright Machiavellian scheming that goes on in business every day. An estimated £7.8bn is lost each year in the UK alone through unnecessary and counter-productive office politicking. But 21 Dirty Tricks at Work is also a book of hope. It exposes the classic manoeuvres and gives practical advice on dealing with them to the vast majority who just want to do a good day's work.

21 Dirty Tricks at Work provides you with all the information you need to spot negative tactics and self-interested strategies. It shows you how to spot the games frequently being played and how to come out with your credibility intact and your sanity preserved.

So, if you are fed-up of being on the receiving end of constant backbiting and skulduggery from workmates, join hands with the authors and get Machiavelli on the run!
