Andreas Hess

The Political Theory of Judith N. Shklar: Exile from Exile Andreas Hess

Judith Shklar was a formative political thinker whose oeuvre defies traditional labels, and whose legacy is subtle but substantial. Her work emerged, as one observer has pointed out, between the "end of ideology" discussions of the 1950s and the early 1990s discussion of the "end of history." Shklar contributed significantly to American political thought by arguing for a new, more skeptical and stripped-down version of liberalism that intends to bring political theory and real-life experiences closer together. This book is the first to comprehensively explore how Shklar's ideas emerged, how her political theory developed, and the impact and legacy she left behind.
