This final book published in the Ashgate SOTS monograph series collects together for the first time in English translation a selection of important essays on central themes and texts in Old Testament criticism and exegesis by Rudolf Smend, one of the world's most eminent senior scholars in the field. The essays focus on key topics such as Moses, covenant, history, Old Testament theology, the state, Elijah, Amos, and major movements in the history of the discipline over the past three centuries. All are marked by penetrating exegetical and critical insight as well as by an unrivalled knowledge of the history of Old Testament scholarship, and many of them have already made highly-respected and influential contributions. Their publication will serve to make the range and vitality of Smend's work more widely known to English-speaking readers.

#### **Lee Wing:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not

important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this 'The Unconquered Land' and Other Old Testament Essays: Selected Studies by Rudolf Smend (Society for Old Testament Study Monographs) can make you truly feel more interested to read.
