WARRIOR WOMEN weaves science, mythology and mystical cultures into a bold new historical tapestry of female warriors, heroines and leaders who have been left out of the history books...until now. From China to Celtic lands, warriors, priestesses and matriarchs come to life in this accessible and dramatic account of one archaeologist's search for the truth. Jeannine Davis-Kimball, a real-life Indiana Jones, recounts her exciting and dangerous career uncovering the real story behind Amazons, banshees and mummies. Within all these groups, Davis-Kimball has uncovered an entire ancient class of courageous women who played vital and respected roles. WARRIOR WOMEN is the first mainstream book to explore the lost world of women warriors that stretches from Europe to Asia. What emerges is not only a thrilling and exotic ride, but a provocative re-examination of gender roles for the 21st century.
