The year is 1812. A white trapper is murdered. And a young Chippewa Indian stands accused.

Captured and shackled in leg irons and chains, Indian John awaits his trial in a settler's loft. In a world of crude frontier justice where evidence is often overlooked in favor of vengeance, he struggles to make sense of the white man's court. His young lawyer faces the wrath of a settlement hungry to see the Indian hang. And 13-year-old Rebecca Carver, terrified by the captive Indian right in her home, must decide for herself what—and who—is right. At stake is a life. Inspired by a true story, *Crooked River* takes a probing look at prejudice and early American justice.
