## Miracle Dogs: Rescue Stories Liz Stavrinides

78 million dogs live as pets in the USA. These are the lucky ones. Five to seven million companion animals enter shelters every year, and more than half are euthanized due to the lack of space.

*Miracle Dogs* celebrates and honors the rescuers and the dogs whose lives they've saved. It features wonderful stories and photographs of dog rescuers, dog trainers, and rescue organizations such as The Gentle Barn and Tamar Geller's Operation Heroes and Hounds, along with celebrity pet owners such as Chevy Chase, Hoda Kotb, Bob Einstein, Amanda Hearst, Jamie Lynn Sieglar, and Lance Bass. Each story includes portraits of the dog and its new family, followed by a concise, compelling narrative detailing the dog's journey to its new home. A professional pet photographer, Liz Stavrinides spends much of her time on projects related to animal rescue. *Miracle Dogs* was born out of her desire to collect and share the stories of the dogs she's met over the years, showcasing the incredible bravery and compassion of both canines and owners. Readers will be moved by stories like that of Wyatt, an assistance dog who helped a young boy with autism communicate with the outside world, or Fiona, who was found blind and starving and is now in a loving family. All of them have finally found their furever homes. Stavrinides' portraits are heartwarming—a loving and poignant tribute to man's best friend.
