MIDNIGHT IN MONTANA

When a federal transport was ambushed and overturned in the wilds of Montana, MIDNIGHT agent Sean Cutter was given forty-eight hours to track down a desperate woman. But falsely accused, Mattie Logan didn't want to be saved. It was Sean's job to convince her otherwise.

A former Department of Defense scientist now targeted by the terrorist known only as the Jaguar, Mattie couldn't risk betrayal again. But neither could Sean. Caught out in the blistering cold, Mattie sought shelter beneath Sean's broad shoulders, each needing the other's warmth to stay alive. But would trusting one another prove to be more difficult than clearing Mattie's name?
