Seeing Through the Eyes of Jesus: His Revolutionary View of Reality and His Transcendent Significance for Faith John F Baggett

Rather than looking *at* Jesus -- the popular conception of the "historical Jesus" -- John Baggett contends that we should instead look *with* Jesus at the realities of God and neighbor as he perceived them. Baggett incorporates the witness of the key human relationships of Jesus, looking at why those earliest believers and friends considered him divine. Baggett then asks how Christ's transcendence can ultimately translate to significance for life and faith in today's story.
