The Faith We Sing Accompaniment Edition

This edition features independent ("Stylized") keyboard parts that support the melody and choral harmonies but often do not duplicate them. It contains everything in the Singer's Edition, indicates the voicing contained in the Pew Edition, and includes full arrangements of each selection. If desired, music leaders can rehearse singers or lead worship from the piano using either the keyboard accompaniment as written or the chord symbols as a guide. The attractive three-ring binder makes this edition easy to use.
