**The Man Who Ate His Boots: The Tragic History of the Search for the Northwest Passage** Anthony Brandt

After the triumphant end of the Napoleonic Wars in 1815, the British took it upon themselves to complete something they had been trying to do since the sixteenth century: find the fabled Northwest Passage. For the next thirty-five years the British Admiralty sent out expedition after expedition to probe the ice-bound waters of the Canadian Arctic in search of a route, and then, after 1845, to find Sir John Franklin, the Royal Navy hero who led the last of these Admiralty expeditions. Enthralling and often harrowing, *The Man Who Ate His Boots* captures the glory and the folly of this ultimately tragic enterprise.

*From the Trade Paperback edition.*
